

FOR IMMEDIATE RELEASE

SATS HK Limited Releases 2023 Q1 Flight and Passenger Statistics

Figures show significant improvement in flight and passenger numbers

(Hong Kong, 23 June, 2023) SATS HK Limited is pleased to announce a significant increase in the number of flights handled and passengers served during the first quarter of this year. The overall performance has seen a notable uptick compared to the previous quarter.

Time Period	Number of Flights	Number of	Customer
		Passengers	Airlines
Q4 2022	3,337	264,275	15
Q1 2023	4,441	490,450	18
% Change	33% increase	85.6% increase	20% increase

The company's robust growth in Q1 reflects increased travel demand and a steady recovery of Hong Kong's aviation industry. SATSHK Limited is proud to be a key player in supporting this resurgence.
